Very exciting day! Casey on the Majors missed a 300 in his second game, but between, the first and second he did string 18 strikes in a row. (During the third and fourth games, there were two 300s which was also great). Classic 1 was one game out of first, but depending on the final scores of the first place, might have just missed. The Juniors won all four games and they already started in first place by a wide margin!
